

WINTER IS COMING . . .

And with it comes piles of snow and lots of road salt! By making smart decisions while battling the cold we can keep our streams and creeks healthy this season. Help keep winter wonderful by following these tips:

1) Dispose of shoveled snow in vegetated areas; never dump it into streets or streams

2) Use safe and effective salt alternatives for ice, follow the application rate on the label.

3) Salt piles should always be stored under a roof. Report uncovered piles to the DEP: 484-250-5900
