For your convenience, we will be changing the sewer payment schedule to a calendar quarter. However, the quarterly rate of \$345.29 remains the same!

What this means for you...

The first bill for 2018 will include four (4) months rather than three (3). However, YOU WILL HAVE AN ADDITIONAL MONTH TO MAKE THIS PAYMENT. Your bill for the first quarter will include December, January, February and March and will be due the end of March. The remainder of the year you will be billed for three (3) months per bill on the following schedule:

Due Dates

March 31st - (4 month bill)

June 30th

September 30th

December 31st

***PLEASE NOTE:** A 2% discount will be offered to residents who pay their 2018 bill in full. Bills must be paid by March 31st to take advantage of the discount. The discount price is \$1,466.33 for each Equivalent Dwelling Unit (EDU).
