All ayes

Chairman Roma explained the current sewer non-connect fee is \$415.00 per EDU per year however the township is allowed to charge up to 60% of the annual sewer service charge which would be \$828.70. Chairman Roma indicated this would be the opportunity to increase this fee.

Motion made by David Moyer and seconded by Ernest Gehman to adopt Resolution 2017-16, reaffirming all fee schedules not dealt with at reorganization this evening as published by General Code in the Township's Codification Book. **No public comment.**

David Moyer – aye

Ernest Gehman – aye

James Roma - opposed

A motion was made by Ernest Gehman and seconded by David Moyer acknowledging for the following items not to be forgotten:

- Postel Subdivision (off of Kulps Road) – 1990 – Any future development of Lot #2 on the adjoining property owned by Kathryn Wheeler, which would result in the use of the existing driveway easement by more than two (2) single family residences shall require the construction of an access road complying with the then existing Township public road standards.
- PennDutch Subdivision – Agreement dated October 11, 1990, whereas existing building situated on Lot #3 are located within the ultimate right-of-way of the northwest side of Wissinger Road. In the event that any or all of the buildings are destroyed or demolished, it is agreed that all buildings will be rebuilt in such a manner so that they are situated wholly outside of the ultimate right-of-way of Wissinger Road.
- Time capsule buried at the Washington Township War Memorial is to be opened in the year 2040.
- Agreement to permit a shared driveway at 173 Heydt's Schoolhouse Road – 2006 – between Washington Township and Anthony and Lisa Stewart (prior owners Scott and Jacqueline Bungert). In the event that the property should be approved for subdivision, and should the parties desire to share the existing driveway, the Township will approve said application for shared driveway use. There shall be no more than two (2) residential lots that may share said driveway.

- Joel Hoffman – 2006 – Stone was placed on Mr. Hoffman’s property adjacent to Back Country Road. If the property is ever developed, Mr. Hoffman will be required to secure a Driveway Permit from the Township as the stone placed in this area is not considered pre-existing driveway.
- Thomas Jordan – 2014 – The Township entered into an agreement with the owners of 814 and 878 Hoffmansville Road on May 22, 2014 regarding requirements for connection to the Township’s public sewer system. Both agreements have been recorded with the Berks County Recorder of Deeds.

No comments received.
