

Eastern Berks Fire Department

Combining Strengths and Resources

P.O. Box 43, 2243 Old Route 100, Barto, PA 19504
610-845-2877

Hello from the Eastern Berks Fire Department! For those of you who may not know, as of January 1st, 2012, the Goodwill Fire Company of Bally, the Keystone Fire Company of Bechtelsville, and the Vol. Barto Fire Company have joined together to form the Eastern Berks Fire Department. This new department will serve all of Washington Township, Bechtelsville Borough, and Bally Borough, as well as portions of Pike Township, District Township, and Douglass Township/Montgomery County. We will be keeping all of the legacy stations in operation for the foreseeable future, and there will be no significant change to the response you will see from us in an emergency situation.

One significant difference you will see is that we are sending only 1 combined Fund Drive letter for the new department. Our yearly fund drive is our primary source of funding, and we rely on it to provide a majority of our operating income for the year. We need your help to continue to provide the highest level of emergency response to the area, 24 hours a day, 7 days a week, 365 days a year.

If you are interested in learning more about the new combined department, please go to our website www.easternberksfire.com. There you will find information on joining the department, activities and fundraisers that we are doing, and general information on how to contact us.

Thank you for your support in the past and your continued support in the future!

Sincerely,

The Officers and Members of the Eastern Berks Fire Department.
