

# Berks Book Boxes

BERKS COUNTY PUBLIC LIBRARIES

Share and enjoy books with **Berks Book Boxes!** Similar to Little Free Libraries, the program is designed to provide an easily accessible book stop for those passing by.

## Take. Read. Enjoy!

Browse through a selection of titles housed within the book box and choose a book that interests you. There is no obligation to add or return a book—just immerse yourself in the joy of reading!

If you want to donate a gently used book to the collection, feel free to leave it in the box.

**Berks Book Boxes are not library book drops and will not be monitored. Please make sure to return any library books to a Berks County Public Libraries location near you.**

## Don't forget!

Nearly 1 million books, DVDs, and other materials are available for you to borrow with a Berks County Public Library card. You can also download digital books to your tablet or mobile device for free with your library card!
