How It Works

We have contracted with Xpress Bill Pay for online payment systems.

When you sign up for online bill payment, you will get a secure password to access your personal account at xpressbillpay.com When your new bill is ready to view online, we'll send you a reminder email.

Then, log in through your web browser and view your bill. Select a payment type – credit card, debit card, or electronic funds transfer – enter the requested information, and you're done!

It's that easy and it only takes you a few minutes. You can also make credit and debit card payments by calling the Township or stopping in during our business hours.
